

AMENDED IN ASSEMBLY AUGUST 15, 2011

SENATE BILL

No. 930

Introduced by Senator Evans

(Principal coauthor: Assembly Member Yamada)

(Coauthor: Assembly Member Beall)

February 18, 2011

An act to amend ~~Section 12301.25~~ *Sections 12301.25, 12301.6, and 12305.86* of, and to repeal Sections 12305.73 and 12305.85 of, the Welfare and Institutions Code, relating to public social services.

LEGISLATIVE COUNSEL'S DIGEST

SB 930, as amended, Evans. In-home supportive services: enrollment and fingerprinting requirements.

Existing law provides for the county-administered In-Home Supportive Services (IHSS) program, under which qualified aged, blind, and disabled persons are provided with services in order to permit them to remain in their own homes and avoid institutionalization. Existing law authorizes services to be provided under the IHSS program either through the employment of individual providers, a contract between the county and an entity for the provision of services, the creation by the county of a public authority, or a contract between the county and a nonprofit consortium. *Existing law requires a county, public authority, or nonprofit consortium, as applicable, to conduct an investigation of the qualifications and background of an IHSS provider applicant, including specified criminal background checks.*

This bill would require the county, public authority, or nonprofit consortium to send the State Department of Social Services a copy of the state-level criminal offender record information search response that is provided to that entity by the Department of Justice for any

individual who has requested an appeal of a denial of placement on the registry of IHSS personnel or denial of eligibility to provide supportive services to an IHSS recipient.

Existing law provides for the Medi-Cal program, administered by the State Department of Health Care Services, under which health care services are provided to qualified low-income persons. Under existing law, IHSS recipients who are eligible for the Medi-Cal program, are provided with personal care option services, as defined, in lieu of receiving these services under the IHSS program.

Under existing law, the State Department of Social Services, in consultation with the county welfare departments, is required to develop protocols and procedures for obtaining fingerprint images of all individuals who are being assessed or reassessed to receive supportive services, as specified. Existing law also requires the standardized time provider timesheet used to track the work performed by providers of in-home supportive services to contain specified information, including, effective July 1, 2011, designated spaces for the index fingerprints of the provider and recipient.

This bill would delete the requirements pertaining to obtaining fingerprint images of IHSS recipients, and the requirement that the provider timesheet include spaces for provider and recipient fingerprints.

Existing law requires an IHSS provider enrollment form to be completed using the provider's physical residence address, and prohibits the use of a post office box address. Existing law also prohibits a county from mailing a provider's paycheck to a post office box address, unless the county approves a provider request to do so, as specified.

This bill would delete the requirements and prohibitions relating to the use of a post office box address by an IHSS provider.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

16 subparagraph (B).

17 (D) Prior to making designations of committee members
18 pursuant to subparagraph (C), or governing body members in

37 provided, as a condition of the provider’s continued enrollment in
38 the IHSS program. Criminal background checks shall be conducted
39 at the provider’s expense.

(ii) Upon notice from the Department of Justice notifying the public authority or nonprofit consortium that the prospective registry applicant has been convicted of a criminal offense specified in Section 12305.81, the public authority or nonprofit consortium shall deny the request to be placed on the registry for providing supportive services to any recipient of the In-Home Supportive Services program.

An applicant who is denied on the basis of Section 12305.87 shall be informed by the public authority or nonprofit consortium of the individual waiver and exception processes described in that section.

~~(B) (i) If an applicant or provider is rejected as a result of information contained in the criminal background report, the applicant or provider shall receive a copy of his or her own criminal history record from the Department of Justice, as provided in Article 5 (commencing with Section 11120) of Chapter 1 of Title 1 of Part 4 of the Penal Code, to review the information for accuracy and completeness. (B) (i) Notwithstanding any other law, the public authority or nonprofit consortium shall provide an individual with a copy of his or her state-level criminal offender record information search response as provided to the entity by the Department of Justice if the individual has been denied placement on the registry for providing supportive services to any recipient of the In-Home Supportive Services program based on this information.  28 ~~Section 11123 of the Penal Code.~~

29 ~~(D) Nothing in this~~

34 ~~(E)~~

35 (D) As used in this section, “nonprofit consortium” means a

5 nonprofit consortium, public authority, or county with criminal
6 background check authority pursuant to either Section 12305.86
7 or this section, to receive payment for providing services pursuant
8 to this article. Existence of a clearance shall be determined by
9 verification through the case management, information, and
10 payroll system, that another county, nonprofit consortium, or
11 public authority with criminal background check authority pursuant
12 to Section 12305.86 or this section has deemed the current or

24 background check on a nonregistry applicant or provider from the
25 Department of Justice, in accordance with clause (i) of
26 subparagraph (A) of paragraph (2) of subdivision (e). If the person
27 who is the subject of the criminal background check is not hired
28 or is terminated because of the information contained in the
29 criminal background report, the provisions of subparagraph (B)
30 of paragraph (2) of subdivision (e) shall apply.

31 (ii) A recipient of in-home supportive services pursuant to this
32 chapter or a recipient of personal care services under the Medi-Cal

12 otherwise refer to a recipient.

13 (3) Counties and the state shall be immune from any liability
14 resulting from their implementation of this section in the

19 and shall not be the obligation of the county or state.

20 (g) Any nonprofit consortium contracting with a county pursuant
21 to this section shall ensure that it has a governing body that
22 complies with the requirements of subparagraph (B) of paragraph
23 (3) of subdivision (b) or an advisory committee that complies with
24 subparagraphs (B) and (C) of paragraph (3) of subdivision (b).

25 (h) Recipients of services under this section may elect to receive
26 services from in-home supportive services personnel who are not

28 Those personnel shall be referred to the public authority or

31 (i) (1) Nothing in this section shall be construed to affect the
32 state's responsibility with respect to the state payroll system,
33 unemployment insurance, or workers' compensation and other

35 services.

36 (2) The Controller shall make any deductions from the wages
37 of in-home supportive services personnel, who are employees of
38 a public authority pursuant to paragraph (1) of subdivision (c), that

6 increased costs to the in-home supportive services case
7 management, information, and payroll system attributable to
8 that election. The department shall collaborate with any county
9 that elects to provide in-home supportive services pursuant to this
10 section prior to implementing the amount of financial obligation

16 established in subdivision (c) of Section 12306, or any other funds
17 that are obtained pursuant to Subchapter 19 (commencing with
18 Section 1396) of Chapter 7 of Title 42 of the United States Code,

26 bidding as otherwise required by law.

27 (l) (1) The department may adopt regulations implementing
28 this section as emergency regulations in accordance with Chapter

33 preservation of the public peace, health and safety, or general
34 welfare. Notwithstanding Chapter 3.5 (commencing with Section
35 11340) of Part 1 of Division 3 of Title 2 of the Government Code,
36 these emergency regulations shall not be subject to the review and

5 publication of these regulations in the California Code of
6 Regulations. Emergency regulations adopted pursuant to this
7 subdivision shall remain in effect for no more than 180 days.

8 (m) (1) In the event that a county elects to form a nonprofit
9 consortium or public authority pursuant to subdivision (a) before
10 the State Department of Health Care Services has obtained all
